

RECORDER FINGERING CHART

The hole that is outside the box indicates the thumbhole on the back of the recorder.
When the circle is black, cover that hole with the correct finger.

The chart displays the fingering for each note on a recorder. Each note is shown on a treble clef staff with a single note. To the right of each staff is a vertical column of 12 circles representing the recorder's holes. A black dot above the staff indicates the thumbhole. The circles are filled (black) or empty (white) to show which holes to cover for each note.

Note	Thumbhole	1	2	3	4	5	6	7	8	9	10	11	12
